WE ARE YOUR CHURCH'S CIVICS PARTNER!

What leaders are saying about Christians Engaged...

*"Followers of Jesus Christ have an obligation, responsibility, and opportunity to put feet to their faith by voting and serving in their communities. By joining forces, **Family Policy Alliance and Christians Engaged will help make this daily task easier** — and faith-driven cultural activism more effective. History rests in the hands of believers, and turns on the hinges of seemingly small things, including our willingness to register and vote our values."*

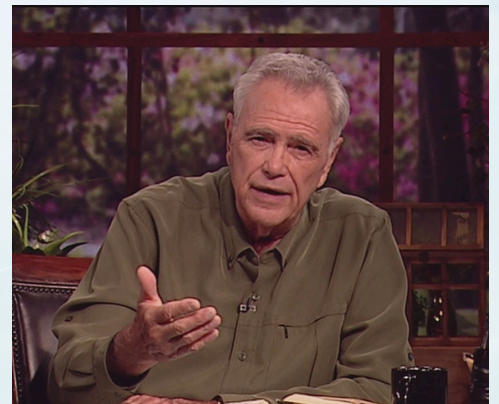

Jim Daly, President, Focus on the Family

*"Christians Engaged's Strategic Ministry Partnership is one of the best tools I've seen to **promote biblical values and mobilize the church.**"*

Craig DeRoche, CEO Family Policy Alliance

*"Christians Engaged is an organization that calls for the very thing Jesus left us here on this earth to do: Engage! Be part of **Christians actively engaged in making the essential difference!**"*

James Robison, Life Outreach International

*"The work of Christian Engaged, **the curriculum, the studies, the reinforcement, the support, the encouragement**, all of that is so vital!"*

Hon. Scott Turner, Prestonwood Baptist Church

*"I'm kind of floored and blown away when I see **Christians who are engaged** in [the] cultural war who actually believe that that war can be won... We have a God, and an ideology, and the correct narrative that's been given to us in the Scriptures that actually **overpowers the forces of darkness and their false ideologies** and narratives..."*

Kirk Cameron

*"Every Christian should be praying, every believer should love their neighbors by **electing righteous people**, and every believer should engage outside the walls of our churches."*

Michael Miller, Pastor UPPERROOM Global

*"Christians Engaged lives up to its name! Through its Strategic Ministry Partnership, it provides **wonderful and practical tools and resources** for each and every church member to engage their faith in their civic responsibilities. Thank you, Bunni and Christians Engaged, for leading the charge!"*

Matthew Neese, Pastor Wellspring Church

*"Christians Engaged is **filling a huge hole** in the body of Christ. [It is] **on the cutting edge**. I encourage you to connect with this dynamic ministry today!"*

Hon. Michele Bachmann

Yes! I'd like to get Christians Engaged's resources for my church!

STRATEGIC MINISTRY PARTNERSHIP PROGRAM

Christians Engaged exists to awaken, educate, and empower believers in Jesus Christ to:

- PRAY for our nation and elected officials regularly
- VOTE in every local, state, and national election to impact our culture
- ENGAGE our hearts in civic education or involvement for the well-being of our local communities and our nation

We want to be your key civic engagement partner for your ministry or local church! Our heart is to activate Christians around America to action, for the well-being of our nation. Through our PLEDGE to pray, vote, and engage, our voter mobilization system for the Body of Christ in all 50 states, and our growing on-demand video curriculum library – we empower and educate believers in Christ Jesus to build habits of prayer, voting, and engagement within a biblical framework. *This partnership is free, and I know it will be a blessing to you and your ministry family!*

Thank you for serving the Body of Christ! We are so grateful for you and love what you are doing. We can't wait to come alongside you!

Bunni Pounds
President, Christians Engaged

YOUR COMMITMENT AS A PARTNER (WHAT WE ASK OF YOU)

1. Facilitate Voter Registration at least two times per year through your church or ministry.

2. Ask people to take the PLEDGE and to vote in every election by pushing out a co-branded webpage with Christians Engaged (see page 7). We will create it for you – [Example here](#).

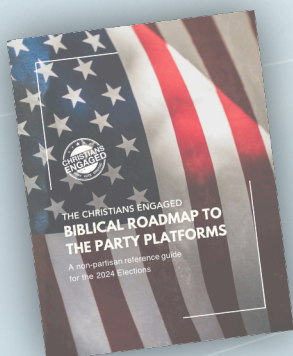

3. Use our video curriculum library however best fits your ministry. Our classes are perfect for Bible studies, Sunday schools, home groups, evening/midweek meetings, or Saturday seminars (see Page 8).

There is NO FEE or cost associated with this partnership

OTHER SUGGESTIONS FOR PARTNER CHURCHES & MINISTRIES (NOT REQUIRED)

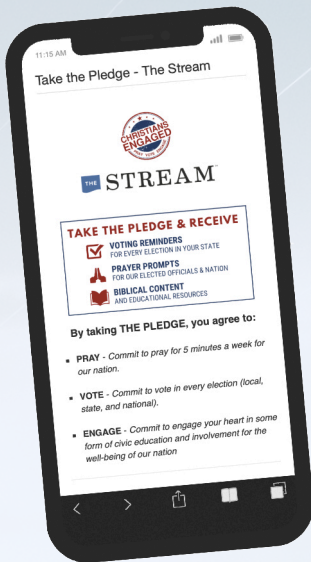

*Christians Engaged has the tools and support to help you in all these areas – however God might be putting on your heart to **engage in your local community**.*

- [Book a Christians Engaged Speaker](#) annually, or at least every other year, to keep our partnership fresh in your members' minds, or host a full seminar on a Saturday.
- Bring a group to our annual [Christians Engaged Conference](#) each Fall, or host a satellite attendance of the Conference at your church.
- Facilitate an annual prayer meeting for your local elected officials and community leaders (like your police, EMS, ISD leaders, mayor, etc.).
- Let us connect you with [your state Family Policy Council](#) to start building relationships with your state legislators and advocating for biblical values.
- Consider hosting a candidate forum for local elections or major national elections.
- Start a *Civic Engagement Team* with a few key leaders who can keep your church involved inside and outside the four walls of your building.
- Send members on a life-changing annual [trip to Washington DC](#) with Christians Engaged.
- Utilize other Christians Engaged resources, such as our *Biblical Roadmap to the Party Platforms* to help members apply biblical principles to every issue.

TAKE THE PLEDGE!

(OUR OPT-IN VOTER MOBILIZATION SYSTEM)

Christians Engaged has created the first ever nationwide 501(c)(3) voter mobilization system made by Christians for the Church. *Our Strategic Ministry Partnership offers this mechanism for FREE to churches and ministries who partner with us.* Our partner organizations can use this tool on their websites, emails, printed materials, and social media accounts not only to register voters, but to move Christians to vote in every election across America. By participating in this effective, free program, **your ministry can empower Christians to vote not just for the current election, but for every election to come!**

Once people opt-in and take the Christians Engaged PLEDGE to pray for 5 minutes per week for their nation, to vote in every election, and to engage their heart in some form of civic education or involvement for the well-being of our nation, they will receive two initial emails from Christians Engaged:

1. An appeal to Register to Vote, with links to check their registration and to get it done (arrives immediately)
2. An appeal to take our *On-Ramp to Civic Engagement* video course – 6.5 hours of training to get American Christians activated with government, from a Kingdom perspective (arrives 3 days later)

Going forward, these pledge-takers will be sent up to four texts or four emails with voting reminders for their specific state, along with our weekly emails, which carry our prayer prompt for the week, voting motivations, and engagement opportunities.

VOTING REMINDERS

We will send notifications to each pledge-taker of when early voting begins, when early voting ends, on the Saturday before the election, and on Election Day itself. We will include our *5-Step Non-Partisan Voting Guide* and simple instructions. *(If a state does not have early voting, we will still offer 4 general reminders geared toward elections in that state.)*

So that they don't only hear from us around election times, Christians Engaged will send a text to the pledge-takers once a month with our prayer prompts and one other key encouragement. **Mobilizing the church to vote is a crucial part of electing godly leaders!**

Reminder: When someone opts-in to take the PLEDGE, they will automatically receive text and email reminders before every election. Christians Engaged's messages NEVER endorse specific candidates or parties; they will only provide practical information and election schedule details.

PROGRAM PARTICIPATION AND DETAILS

Christians Engaged is a ministry of Family Policy Alliance Foundation. To participate in this *Strategic Ministry Partnership Program*, simply complete the application form on Page 4 and return it to us, and then we will create a co-branded webpage for you to ask your members/followers to participate in our get-out-the-vote system and start voting in every election. Partner organizations may request the removal of the co-branded webpage at any time.

DATA STAYS WITHIN CONTROL OF THE CHURCH

Christians Engaged will not sell or give the data of your members to any other entity outside of Christians Engaged, Indiana Family Institute, and your Partner organization.

We want to help you grow your email contact list as well – empowering the Kingdom of God at all levels. As people opt-in to our communications, your organization will also be able to contact those people that have joined through your webpage link.

FUNDING AND DONATIONS

Other data systems in the non-profit world which remind people to vote do much less than our system does (they email only on election day or maybe one other time, and they do not include the texting component), and require the church or ministry to send them thousands of dollars each year for their services.

Our nationwide system costs us hundreds of thousands of dollars to maintain each year, **but we are not requiring any fees from the participating ministries using our services.** We want to keep our system clean, simple, and to-the-point, fulfilling the purpose that we have set out for it to accomplish, so that believers easily vote and stay connected.

To be clear – listed below are the **ONLY** ways we will ask people to give monetarily to help us maintain this system:

1. A Spring Virtual Fundraiser with a special Christian guest
2. Our national *Christians Engaged Conference*, which brings the Church together around prayer, voting, and engagement
3. A Donate Button on the bottom of each email
4. A monthly story email or a Quarterly Report
5. A Year End Appeal

We do have a [monthly giving program](#) where local churches can help our ministry as part of their mission's budget – but that is not required to participate. Offerings and honorariums are accepted for live appearances or seminars, but are not required. If a speaker is traveling further than 3 hours from their home, we do ask that you cover their travel costs (most of our leadership live in the Dallas/Fort Worth area).

DATA SHARING

Our desire for this Program is to not only help people pray weekly, vote in every election, and get disciplined, but to empower the Kingdom of God by helping each participating church or ministry build their own email and text contacts list. We will pull your data monthly (on the first business day of the month) and email it to the contact person you designate on the application form. We are also happy to pull the data upon request at any time (for example, around elections) – simply email us at ian@christiansengaged.org.
